Built in 2014 with a cozy front verandah to enjoy the summer evenings on and TWO ADDITIONAL patios; one off the side entrance where the main point of entry would be, and the second is off the primary bedroom. On the main floor, the kitchen opens to the dining area, living room with electric fireplace and the half bath. Upstairs is where the large primary room with 5pc ensuite, walk-in-closet and private balcony plus two additional bedrooms and 4pc bathroom are. Laundry is in the unfinished basement with adequate development space for an additional bedroom + recreation area. The bonus features to this property are the LOW CONDO FEES of \$240/mth, extensive access to all the amenities and transportation of downtown, and the detached, single-car garage out the back door.
